All -
Here's what we sent down to OSWER for their comments. Most, if not all, answers are ones that have been previously
reviewed.
Please send any comments to me and Jackie and we'll make sure they're incorporated for front office review.
Thanks!
Jennie

Randy,

Attached please find the first draft of the Dimock Q&A's for the Administrator to use for the House Science, Space, and
Technology Committee hearing on June 28th.

Per our discussion, we largely relied on previously reviewed/approved Q&As. Question 1 is a compilation of existing
Q&As, Questions 2 and 3 are existing Q&As, and Questions 4 and 5 are largely unchanged from prior desk statements.

Please provide comment by **COB Monday June 18** to ensure our RA has sufficient time to review. If there are any
substantive changes after the RA review, we will provide OSWER with an opportunity for additional review/comment. The
final Q&As are due to OCIR by noon on Wednesday, June 20.

Thank you and have a great weekend,
Jackie
